

BENITA SUCHODREV – BIOGRAPHY

Benita Suchodrev was born in the former Soviet Union and immigrated to the United States where she received her Bachelor's degree in Liberal Arts with a focus on Art History from SUNY Purchase, New York, continuing to a Master of Arts in English Literature, graduating with high honors.

In 2008 Benita relocated to Berlin where she began an extensive documentation of the cosmopolitan city's multifaceted art scene while working on diverse photographic projects. Later she studied at the Neue Schule für Fotografie in the class of Eva Bertram. Her portrait and documentary work has been exhibited in solo and group shows nationally and internationally and is part of the Rafael Tous Foundation for Contemporary Art, Barcelona, the Michael Horbach Stiftung in Cologne, as well as private collections in Moscow, Berlin and New York.

Benita currently lives and works in Berlin.
